

BC Ferry Vouchers – IMPORTANT INFORMATION (Revised January 2018)

Please find attached, your requested ferry vouchers for free passenger fares for youth/students on school related travel or for community youth sports travel.

Each voucher covers the cost of the passenger fare only for Powell River youth and does not cover the cost of travel for parents, guardians, teachers, caregivers, chaperones or for vehicles.

The program is intended to work as follows for PR-Comox travel (if you are travelling to Vancouver, please let me know and I will review the process for that route:

All youth travel **with** the coach either on a bus/vehicle or as walk ons {one voucher needed each way}. Please have all players meet you in the waiting room so that you can do your count and then proceed to the ticket booth to process your voucher. You can then all walk on together.

If youth are travelling with parents, please have all players meet you in the waiting room and follow same process as above. BC Ferries has requested that players travel together as a team, not in vehicles with parents. **The only exception to this would be if a player is travelling with his/her parents on a different sailing** – then a separate voucher would be given to that player-BC Ferries has asked that if this the case that the voucher be pre-completed with the date and sailing the parents are wishing to travel on.

These vouchers must be given to coaches/managers in advance and must be completed prior to presenting it to the ticket attendant. The BC Ferries attendant cannot complete it for you, nor do they have time to wait for you to complete it. If not completed, you may be asked to step aside.

Please ensure you are using the correct vouchers (check the Travel from and Travel to). Present the coloured card stock vouchers to the agent at the terminal. **PLEASE CUT THE VOUCHERS SO THAT YOU ARE PRESENTING ONE COMPLETED SINGLE VOUCHER TO THE BC FERRIES CLERK.** The receipt you are given is to be stapled to the white copy given to you. Please return the copies (with receipts) to me. **ALL VOUCHERS NOW HAVE EXPIRY DATES – PLEASE CHECK BEFORE ISSUING.**

If you require more vouchers, please email me ... preferably the week before you need them and ensure that when picking up your next batch, you bring in the white copies with receipts of the previous batch given to you. If receipts are not provided, new vouchers will not be issued.

If you have any questions, feel free to email or call.

Thanks,
