

VANCOUVER ISLAND AMATEUR HOCKEY ASSOCIATION

HANDBOOK 2024-2025

**CONSTITUTION BY-LAWS
REGULATIONS**

PRESIDENT'S WELCOME

As we enter the new season we must first reflect. Last year was filled with growth, development, and memorable moments for our young athletes, coaches, and volunteers...

Player Development:

Our focus on player development remained at the forefront of our efforts this season. We continued to emphasize skill development, sportsmanship, and teamwork throughout all levels of our organization. Our players have shown tremendous improvement both on and off the ice, and their dedication to the sport is truly inspiring.

Community Engagement:

Our commitment to building strong ties within the community was evident through various initiatives and events. From fundraising activities to volunteer opportunities, we worked together to foster a sense of belonging and unity among our members. I want to extend my gratitude to all those who contributed their time and resources to make these endeavors a success.

Coaching and Volunteer Support:

Our dedicated coaches and volunteers played a vital role in the success of our organization this season. Their tireless efforts and unwavering commitment to the development of our young athletes are truly commendable. I want to express my sincere appreciation to each and every one of them for their hard work, passion, and dedication throughout the year. We have had an issue getting our coaching practical's done. This falls into BC Hockey category and hoping it gets resolved soon.

Challenges and Opportunities:

While we celebrate our achievements, we also recognize the challenges we faced along the way. Whether it was adapting to new protocols and guidelines or overcoming logistical hurdles, we approached each obstacle with resilience and determination. These challenges have presented us with valuable opportunities for growth and improvement as we strive to create the best possible experience for our members. As we face changes within the minor hockey landscape we as an organization need to show why we are the best and most affordable choice for families.

Social Media needs to be used in a positive manner not just to tear people down.

Our Challenges aren't just from non-sanctioned hockey but 'for profit' academies that want our players and our ice that we have all worked hard for.

Continued...

Our office staff has done a great job trying to keep all the balls in the air but with all the extra work from everywhere we have increased staff, we need to get ice in sooner. We need to educate our membership to follow proper chains of command and not just call in as it takes away from all the work that needs to be done. Our Referee issue persists throughout minor hockey we need to develop more of them which will solve the long term issue but doesn't help right now. We need to draw back our officials that are working at higher levels and get BC Hockey to force the issue of minor hockey - not just above minor.

Abuse of office staff, volunteers, officials, players and coaches needs to stop! Parents do not have the right to say or do whatever they want. We again need to get support from BC Hockey to back us up.

Looking Ahead:

As we reflect on the successes and lessons of last season, we eagerly look ahead to the future of our organization. We remain committed to providing a safe, inclusive, and rewarding environment for all participants, and we are excited about the possibilities the upcoming season holds.

In closing, I want to extend my heartfelt thanks to our players, parents, coaches, volunteers, sponsors, and supporters for their unwavering dedication and support. Together, we made last season one to remember, and I am confident that the best is yet to come.

- 9.03 Each team must play a minimum of three (3) exhibition games against other teams within their division from other MHAs prior to league scheduling. Failure to submit game sheets on time may result in a team not being allowed to play in a league, or league start date delayed.
- Regular league play will not commence prior to the first weekend after Thanksgiving.
- 9.04 Each local MHA with participating teams must provide the League Commissioner with applicable ice dates and times for the full year along with contact names, email addresses and telephone numbers for the team officials for each of the teams entered in that particular league.

Divisional Coordinators/Managers are encouraged to attend but shall not be able to represent the teams from their MHA.
- 9.07 In the spirit of fair play, teams entering into Inter-League play, shall be balanced according to skill level of the participants. (i.e. if team "X" defeated team "Y" and then team "Y" went on to defeat teams "F" and "H" the league will not assume that team "X" could also defeat teams "F" and "H"). In the semi-final round, the highest seeded team from the regular season will play the fourth seeded team and the second seeded team playing the third. The two (2) winning teams in each pool will play in the championship game with the higher seeded team having home ice advantage. In multiple league Divisions the top four (4) teams will qualify for playoffs in a single pool.
- 12.03 **Female Recreational:** All Female Recreational teams will qualify for playoffs. REGULATION #13

Play-Offs Island League

- 13.01 No team will be allowed to participate in the playoffs unless their MHA is a member in good standing and all outstanding fees and fines have been paid in full as per By-Law #1007.
- 13.02 Within the province of British Columbia, BC Hockey determines the category of a MHA based on the number of registered players in the U13, U15 and U18 divisions. As such, every MHA is given a category of either Tier 1, Tier 2, Tier 3 or Tier 4 at the start of the season.
- 13.03 Female and U21 HC carded teams are given the category of "A" regardless of the MHA that they affiliated with.
- 13.04 It is important to note that regardless of which division a team may have been placed, once league play is completed teams will participate in play-offs in accordance with the category of their MHA, be it Tier 1, Tier 2, Tier 3 or Tier 4 unless the MHA has requested and been approved to challenge up a category in accordance with BC Hockey regulations.

- 13.06 During semi-final and final playoffs, original Hockey Canada Registry rosters must be dated later than February 10 and must be made available to be checked by the game supervisor.
- 13.07 The host MHA shall be responsible to assign all the on-ice game officials during the round-robin playoffs with approval from the District Officiating Coordinator and Vice President of Island League. The Officiating Coordinator's, in consultation with the Vice President of Island League, will assign the referees during all semi-final and final playoff series from a pool of Officials recommended by the Referees-In-Chief and will attempt to have neutral referees. The MHAs will assign the linesmen with Officiating Coordinator approval. VIAHA will pay game fees and travel costs for these two series. Circumstances may dictate that for a playoff game, a neutral referee could not be assigned. Should this happen this decision is not subject to appeal.
- 13.08 MHA's choosing to withdraw a team from BC Hockey Championships must advise BC Hockey as per their regulations. Teams withdrawing from BC Hockey Championships will still participate in round robin games and scheduled exhibition games but will not participate in semi-final or final rounds of playoffs.

The team with the next most points in games against the tied teams will receive the next highest placing, and so on;
 - (b) If teams remained tied after (a) then the team with the most wins in the round robin series (note that this includes all games in the round robin series and is not limited to games between the tied teams only) will receive the higher placing and so on;
 - (c) If any teams remained tied after (a) and (b) have been applied, then the team with the best goal average in games between the tied teams will receive the higher placing and so on. The goal average of a team is to be determined by dividing the total number of 'goals for' and 'goals against' into the total number of 'goals for', the team having the highest percentage winning the higher position (example: goals for 10, goals against 4; percentage is $10/14 = .714$);
 - (d) If any teams remain tied after (a), (b) and (c) have been applied, then the team with the best goal average in the round robin series (note that this includes all games in the round robin series and is not

limited to games between the tied teams only) will receive the higher placing, and so on. The goal average of a team is to be determined by dividing the total number of 'goals for' and 'goals against' into the total number of 'goals for', with the team having the highest percentage will be awarded the higher position. (Example: Goals for 10, goals against 4; percentage is $10/14 = .714$). In determining the goal average, the maximum goal differential that may be applied in any single game shall be seven (7);

(e) If any teams remain tied after (a), (b), (c) and (d) the team that received the least minutes in penalties in the round robin games

against the tied teams will receive the higher placing, and so on; and

(f) If teams are still tied after all previous methods have been applied, then the winner of the playoff position will be decided by the toss of a coin. The respective Vice President and/or Managing Director will do the coin toss. Teams will not be required to be present.

- 13.10 Upon completion of the semi-final series, the following procedure will be used to determine which team receives home ice advantage for the playoff finals:

(c) If tied after (a) and (b), home ice advantage will go to the team with the lowest penalty minutes per game during round robin; or

(d) If tied after (a), (b) and (c), home ice advantage will be decided by the toss of a coin.

The Island League Vice President and/or Managing Director will do the coin toss. Teams will not be required to be present.

- 13.11 Island League Playoff Procedure: refer to Appendix #4. All round robin games will have 15-20-20 minute periods. All semi-final and final playoff games will be a full 3-20 minute periods. Overtime, if required, will be in accordance with HC Rule #10.16.

- 13.12 There will be no travel to tournaments once playoffs commence. Exemptions will not be granted during the weekends when semi-final (crossover) or final games are scheduled unless a team is not involved in a semi-final or final game.
